## **SBA Lender Resources**

### **Bank Notes**

**<http://web.sba.gov/list/>**

Bank Notes is the Michigan District Office's newsletter for lenders. It is very important for all lenders to receive Bank Notes since it is the only vehicle we use to inform lenders of changes in policies and procedures. To receive Bank Notes, simply go to the Web page listed above, scroll down and check the box entitled "Michigan Bank Notes Newsletter." Then scroll down and enter your name and e-mail address at the bottom of the page and hit the "Subscribe" button. You may also want to subscribe to our general newsletter, "Small Business Beat," at the same site.

### **SBA National and Michigan District Web Site**

**[www.sba.gov](http://www.sba.gov), [www.sba.gov/mi](http://www.sba.gov/mi)**

The national Web site has complete information on all SBA programs and general assistance tools, including publications and an online classroom which covers many business topics. The Michigan Web site provides detailed information about SBA resources in Michigan, a calendar of upcoming training programs, and other Michigan-specific information and links. The Michigan SBA Annual Report and the Michigan Small Business Resource Guide can be downloaded from this site. **There is also a Lender's Resource page which contains past issues of Bank Notes and other lender information:** **[http://www.sba.gov/localresources/district/mi/mi\\_lenderspage.html](http://www.sba.gov/localresources/district/mi/mi_lenderspage.html)**

### **SBA Electronic Lending Web Site**

**[www.sba.gov/banking](http://www.sba.gov/banking)**

The SBA Electronic Lending Web site is the SBA's resource site for lenders. It contains all forms, Standard Operation Procedures (SOPs), notices, and guides for all SBA loan programs. This includes the "Centralized 7(a) Loan Submission Instructions" and all forms for the submission of regular 7(a) loans.

### **SBA Resource Partner Web Sites**

**[www.gvsu.edu/misbtdc/](http://www.gvsu.edu/misbtdc/), [www.scoremichigan.com/](http://www.scoremichigan.com/)**

Both the Michigan SBTDC and SCORE have Web sites that provide information about their programs, a list of all of their locations, and tools for use by their clients. These outstanding programs can be very helpful to your small business customers. Counseling can be requested through these sites, and they provide a current list of their training programs. Email counseling is available at SCORE's national site, [www.score.org](http://www.score.org).
